Thank You!!

We would like to take this time to extend a ***huge amount of thanks*** to our fabulous families. We have been blessed with getting to know all of you this year and even more so with the honor of being one of your child's first teachers. We have fallen in love with each and every one of them and only wish the very best in all that lies ahead. We laughed everyday with your children - their honesty, stubbornness (which will serve them well), and friendship has only made us better teachers and we truly appreciated everyday spent with them. ***Thank you*** also for your donations in time and supplies. We truly could not function without a "village". You all gave us your support and for that we are very grateful.

Crazy Week: ***Crazy Week*** will be the last week of school:

- *Monday, May 21st - Favorite Color Day
- *Tuesday, May 22nd - Hat Day
- *Wednesday, May 23rd - Pajama Day
- *Thursday, May 24th - T-Shirt Signing Day

Class Picnic: Our last day of school - ***Thursday, May 24th***, we will have a class picnic in our courtyard. Please send a sack lunch with your child.

All School Picnic: An ***all school*** picnic will be held on ***Thursday, May 24th*** at ***Raccoon River Park*** beginning at 5:00 pm. Mrs. Kramer will not be attending. Her oldest son, Michael, is graduating from high school.

One More Donation(actually two): For the last two weeks of school in our ***Practical Life*** area, we will be doing ***carrot peeling*** and ***squeezing lemons*** for lemonade. If you were wondering how you can help us one last time, please consider donating carrots and lemons. We would need them ***Monday, May 14th***. ***Thank you so much!!***

As we close out the year and begin a summer filled with family, friends and fun, please remember to have your child do as much for herself/himself as possible. In our room, we do very little for the children, emphasizing independence. They will make messes, they will need guidance however they will definitely grow from "doing it myself". Have a wonderful summer!!
